Thanks to everyone who helped to change all of the lights in the church last weekend. All of the lights are now long-lasting, low-energy LED lights that will both decrease the frequency with which they need to be changed and decrease our electric bill! This was a big project, so many thanks to all of the volunteers who coordinated and assisted with this effort!

Young Catholics' Corner

Jesus was once asked which of the commandments was the greatest. He said loving God and loving others was the most important commandment. Jesus combined these to form one commandment, which means that we cannot love God well without loving others and we cannot love others well without loving God. Lord, help my love for you and others be so great that others will see you in me!

Please save this November newsletter for future reference, since some of this information will not be repeated in the weekly editions of the bulletin.
